

Online Admission *in 3 easy steps*

BEFORE YOU BEGIN

Make sure you have the following information ready:

- Medicare number
- Private health insurance details
- Ambulance cover (if you have it)
- DVA details (if you are a DVA member)

Go to the following web address:

<https://patientform.nech.com.au/>

(or go to our website www.northeasternhospital.com.au, click on the "About Us" tab then "Forms & Docs".

Click on the "ONLINE Admission" logo)

Enter your name, address and phone number.

Provide an email address and choose a password

Note down your password somewhere safe!

You will then be automatically taken to the online admission form.

REGISTER

FILL IN THE FORM

This should only take a 5-15 minutes, depending on your personal medical history. You can save the information and return to the form at a later time.

Studies show that the process of filling in forms is made smoother with the help of a cup of your favourite warm drink and a couple of biscuits.

The form will cleverly skip the fields that are not relevant to your personal situation.

THAT'S IT!

Once you have completed the form your information will be sent straight through to our friendly admissions team for processing.

How easy was that?
